

BOOKING FORM

BIMM Modules in Musculoskeletal Medicine

Accredited by the RCGP, RCP & RCS

The BIMM modular course consists of 8 modules taken over a two and half year period. Each module comprises of distance based learning and 3-day practical training workshop weekends. There will be an on-line assessment before each training workshop.

The modules are suitable for GP's who wish to develop a special interest in musculoskeletal problems, SpR's in rheumatology, orthopaedics and pain medicine, occupational physicians and sports medicine practitioners.

Register now by completing the form below and send it with a deposit of £50 to: BIMM, PO Box 1116, Bushey, Herts. WD23 9BY, cheques should be made in favour of BIMM. This is non-refundable after 31st December.

PCT's can be invoiced directly. Please supply details.
